Jess,

Administratively we've figured it out, and I'm good with using the funds. It would be nice if I had time to chat with the full Council to see what the community would like to do with the extra money. I know you're pushing to expend the funds, but can we wait until next Council meeting?

Let's chat sometime tomorrow. Are you free around 9am?

Kevin, yes he needs to complete proper LASD paperwork. You can have him call me and I will tell him what forms he needs to complete, thanks.

Jess,

It looks like LASD has towed a few vehicles. At some point, Im sure our CSO will come across this too. When this happens, how should he complete the proper paperwork through LASDs process?

Thanks,

Kevin
